

Anti-Fatigue Mats

Portable Pro Mat

The perfect addition to any hospital, lab, or medical facility. Whether standing all day or kneeling for prolonged periods, this mat is a must for everyone in Facilities and Bio-Med. Furthermore, it can easily be hooked on mobile nursing stations for the nurse on the go.

Item# 2218SSMPBLK Black 22"x18"x3/4" \$75.95

Single Station Mats

Larger mats for specific stations in the lab, gross room, nurses stations, receiving, kitchen, greeting stations, medical records, etc.

Available Sizes: 3x2, 5x2, 5x3, 6x2, 6x3, 5x4.

Available in Black, Grey, and Brown.

Multi User Puzzle Mats

Make a continuous mat along the front of laboratory instruments, countertops, or multi-person workstations. Mats assemble and disassemble easily for cleaning and transport. Customized to your specific needs.

These anti-microbial mats are recognized by the American Podiatric Medical Association as an anti-fatigue device. Our mats come with a 5 year warranty ensuring the edges will not curl and the mat will not get hard. Made of 3/4" thick polyurethane and 20 degree beveled edges that are ADA compliant. Reduce injuries and stress for all workers and improve morale and productivity. Proudly made in the USA.

Helping those who help patients

PerfectVENT

A simple solution for a Better Work Environment

Air flow causing problems with paraffin sections or other delicate laboratory procedures?

Air flow disturbing patients, clients or office workers?

PerfectVENT is the simplest solution to controlling your air flow.

PerfectVENT installs in minutes

PerfectVENT the Air Flow Solution

- ◆ Eliminate annoying downdrafts. PerfectVENT directs the air across the ceiling, not in face or on your head.
- ◆ More consistent room temperature as the heated or cooled air is circulated more evenly in all directions.
- ◆ Easy Installation. Quickly installs over existing commercial or residential vents.
- ◆ Meets safety specs. Made of durable, lightweight ABS plastic. Meets UL94JB flammability rating.
- ◆ Made in U.S.A.
